

Returns and Refunds

Customers can return eligible products within 30 days after delivery.

Products should be returned complete and, where reasonably possible, in their original packaging.

Return Shipping

Return shipping is free for defective or incorrectly delivered products.

For other returns, the customer normally pays the return shipping costs.

Refunds

Refunds are normally processed within 5 business days after the returned product has been inspected.

The refund is sent to the original payment method.

If a refund has not arrived within 10 business days after confirmation, the case should be escalated to customer support.
